### **HOW CAN I FIX MY TATTOO POWER SUPPLY PLEASE HELP**

video of how to build a power supply .

### **How to make a Tattoo Power Supply -**

The easiest way to check if your power cord is the problem is by getting another power cord to test your power supply with. For most tattoo power supplies, the cord (if it is detachable) is the same detachable cord as your computer, common kitchen appliance or electronics. Grab another cord from one of those devices and use it with the power supply. If the unit works with the replacement cord ...
